If you'd like to embed your video in your webpage click *Embed this Video* and then copy the *Embed Code*.

Go to the site manager of your website and the page you would like to insert the video. Click on the *HTML* tab and copy and paste the Embed Code into the text box. Save.

When the link is clicked the login box for *Classroom Video* will show. Use the username and password and the video linked will appear.

The login form has the Classroom Video logo at the top. Below the logo are two input fields: 'User Name' with the text 'green' entered, and 'Password' with a masked password of six dots. Below the password field is a blue button labeled 'LOGIN' with a right-pointing arrow.
